

CAROUSEL PRESENTS...

Charlie Dailey

1st August - 29th September 2017

We are proud to present photographer **Charlie Dailey's** remarkable works in our Next Door space this summer.

From beautiful shots of the Himba Tribes of Namibia and the big cats of Kenya to capturing the life of Havana and the quiet corners of Marrakech, this exhibition is a testament to Charlie's passion for life, art and adventure.

Her work has been described as having "an extraordinarily raw cinematic quality" thanks to her fifteen years spent working as a camerawoman in the film and TV industry, and her photos have been published in a number of publications including Vanity Fair, The Times, The Telegraph, La Repubblica and Cosmopolitan.
